

Vodafone Cook Islands receives a high number of requests for sponsorship support from various community groups, charities, clubs and event organisers.

If you would like to apply for sponsorship from Vodafone Cook Islands please complete this form and return to us as directed below.

All questions in the form must be answered before we can review your application. Please provide us with as much information as possible to ensure we can make an informed decision.

NB: Vodafone Cook Islands *does not* provide assistance where there is already a telecommunications provider supporting.

All sponsorship requests must be in writing. Please ensure you give us plenty of time to receive, review and respond to your request to give yourself the best chance to receive assistance.

While we aim to support where we can, we are unable to assist with all requests we receive. We will aim to respond to all requests with a written response within two weeks of receipt.
